

NEW ZEALAND POLICE

JOB SHEET

OFFENCE:	OPERATION "TAM"
-----------------	------------------------

09.01.98

In relation to the yacht enquiry, a vessel has been mentioned as being of significance with the name 'Mans' or similar. The spelling for this has been variously given to the Police as 'Maenz' or 'Meanz' or a combination of the first three letters of these and possibly NZ would be where the registration was completed.

When speaking with Phil VINING on another enquiry, this name was mentioned to him. He comes back with the possibility of a black hulled schooner ketch which he thinks is called 'NZmade' which is a variation of the letters supplied.

All that he knows in relation to this vessel is that it may belong to the TUCKER family out of Mana Cruising Club.
